

Wedding Information

We require a two-night minimum stay on the weekends for any rooms reserved. We have a gazebo located on our lower courtyard, which is perfect for the small wedding. There is a fee of \$200.00 for use of the property for a wedding. Weddings must be kept to a maximum of 26 guests, including children, as we are limited on space and parking.

The following information is our guidelines for having a wedding at Oak Creek Terrace Resort.

1. No one attending the wedding can park at Dairy Queen. Guests must either stay here or shuttle in for the wedding/reception.
2. We must know the start and end time of the event. **Weddings/receptions cannot last later than 6:00pm.** Since there will be other guests staying at the resort, we feel we must set a time limit so as not to disturb other guests who are not a part of the wedding. Should a wedding be too large or too loud, guests will be asked to leave the property. Wedding guests are asked to respect other guests of Oak Creek Terrace Resort.
3. At least one (1) room must be reserved here however, due to parking limitations, it is advised that your guests and wedding party also stay here.
4. If you are having a catered affair, we need to know the name of the caterer. If you are reserving multiple rooms under one credit card, please be advised that you are responsible for those rooms. We suggest having guests reserve their own room with their own form of guarantee.
5. Please provide us with one contact person to use during the wedding and inform your guests of this as well. We believe that this will make for a smoother operation than having everyone come to the office.
6. Rooms are for double occupancy only except where noted. This includes children. Please reserve accordingly.
7. Children must be supervised at all times for their safety.
8. No canopies or tents of any kind will be allowed.
9. We do not provide tables and chairs. You will need to rent them.
